The last game will be played between the Ramblers and the G. M. C's. Much interest is centered in this game, as each team has won two games, and the team that wins tonight will be leading the league.

The first game will be played by two picked teams from the Girls' Athletic association, the Purples and Golds. This will be the first game of the season by this association. There are many good players in these teams and a good game is promised. This girls' organization stands for clean recreation and should be supported by the local people.

FLYING SQUADRON TO MEE TONIGHT

New Organization Will Choose Members for Basketball and Rifle Teams.

The regular meeting of the Flying Squadron will be held tonight at 8:45 o'clock. All members are requested to be present. Members will be informed who made the basketball team. Plans for the rifle team will be made. This team is open for challenge. The range used will be the same as used for the Winchester Junior Rifle corps. The following members are requested to be present: Ernest Madison, M. Abbott, Tom Williams, Macdon Godwin, Clyde Stewart, John Ackerman, Ed Anderson, Buck Bell and Eddie Collins.

BASEBALL PROPOSITION WILL BE TAKEN UP SOON

Owing to the fact that a number of the directors of the Chamber of Commerce were out of the city yesterday, attending the Tri-City meeting of the Rotary Club, there was no meeting of the directors, as had been scheduled, and the matter of entering the Pensacola Baseball Club in the Cotton States League will not come before the meeting until Thursday afternoon, it is understood.

Caleb Burgoyne, president of the Pensacola baseball club, said last night that he had gotten in touch with the office of the Chamber of Commerce late yesterday afternoon, and Industrial Commissioner J. B. Morrow, had informed him that no meeting of the directors had been held yesterday, but the matter would probably be taken up at a meeting on Thursday afternoon.

The San Carlos Hotel Barber Shop has added a lady manicurist to the staff and solicits the patronage of the ladies and gentlemen of Pensacola.

TRY SULPHUR ON AN ECZEMA SKIN

Costs Little and Overcomes Trouble Almost Overnight.

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Mentho-Sulphur from any good druggist and use it like cold cream.—Advertisement.

HIGH SCHOOL SQUAD RETURNS TO CITY WILL PLAY BARTON

Local Cagesters Will Be Matched Against Crack Mobile Team Saturday.

The High School basketball squad will take on the crack team from Barton Academy in a game to be played here Saturday evening. The local boys have lost three games in as many starts this season and will try to break their jinx at the expense of the Mobile lads. "Ole Hip" has been beaten by the College Yaps, Pensacola Regulars and the Barrancas team. All games have been closely contested, however, and the student team has been pitted against older and more experienced opponents.

The high school line-up will be picked from the following players: Marsh, Gunn, Watson, Mitchell, forwards; Stearns, Frater, center; Wolfe, Levy, guards.

The Barton team has not been defeated this season, winning five games from such teams as Spring Hill, and it is considered one of the best high school teams in Alabama. The game will either be played on the High School court or at the Y. M. C. A. Exact time and place will be announced later.

TIGER JUNIORS WIN FROM OLYMPIC FIVE

Athletic Club Loses Hard Game at Armory Hall Court.

The Tiger Juniors won a good game from the Olympic Athletic squad yesterday afternoon on the armory hall court. The score was 12 to 8 but this does not indicate the fierceness of the contest. For ten minutes at the beginning of the game no scores were made by either side. Then the Olympics shot two goals in rapid succession but the Tigers did likewise and tied the score. The half ended 4 to 4. In the second half some changes were made in the Tiger line up and this team started scoring.

The Tigers won by good shooting and passwork. The Olympics are weak on defense. Rosenau showed up well for the losers.

The line-ups: Tiger Juniors (16) Olympics (8)
Wolfe (4).....F..... Rosenau (6)
Reilly (10).....F..... Geist
Graham.....F.....
Hall (2).....C..... Christie (2)

CARNIVAL COMMITTEE MEETING WITH SUCCESS

The committee appointed to solicit subscriptions to a carnival celebration, composed of Joe Reed, Joseph I. Johnson, Clarence Frenkel and Ralph Gunderson, have already met with much success in their canvass of the city.

At the meeting which was held at the San Carlos Monday afternoon, \$1,000 in subscriptions was raised within a few minutes, and from the interest that has already been taken by the merchants and others, it is believed that there will be little difficulty in raising the fund.

TOURIST CLUB PLANNING FOR REGULAR MEETINGS

The program committee of the Tourist club met yesterday afternoon in the auditorium of the Chamber of Commerce, at which time plans were made for the meeting of Thursday.

The weekly meetings of the tourists are a very pleasant means of forming new friendships, and gathering together old friends, and the programs are always a delightful part of the afternoon sessions.

REGULAR MEETING OF YACHT CLUB TONIGHT

The regular meeting of the Pensacola Yacht club will be held at the club's headquarters on South Palafox street this evening at 7:30 o'clock. The members will enjoy another of Secretary Frederic's suppers, after which they will hold their regular business meeting.

By Young

proved the greatest source of inspiration in his life, was a boys' conference held in Knoxville, Tenn., a number of years ago.

"It is such meetings as these," said Mr. Rigler, "that bring the boys together, and inspire them with high ideals of manliness, serving always as an inspiration.

"At the meetings which are to be held in Pensacola we hope to have with us William Jennings Bryan as one of our principal speakers. Mr. Bryan will be in Mobile about that time, and we feel that if he is sufficiently urged, he may make it convenient to come to Pensacola to appear on the program, and we are sending him a letter tonight, urging his attendance.

"Our program will comprise a message of service, personal life questions and many subjects of importance and interest to the older boys. For it is the boy from 15 to 20, or thereabouts, to whom our message is particularly directed.

"Other speakers who may appear on the program are Dr. J. L. Kesler of the Y. M. C. A. college of Nashville and George Irving of New York of the religious work department of the Y. M. C. A., both of whom stand out as national figures."

Mr. Rigler is a Texan, and did his first Y. M. C. A. work on the Texas border. After a short service in that part of the country, he went to Chicago, where he attended the Y. M. C. A. college, spending several years in the big city which has been identified with so many important Y. M. C. A. movements, then going to Asheville for three years, spending two years in Cincinnati, and two in Virginia before receiving the appointment which he looks upon as one of the most important which has come to him—that of state boys' secretary, with headquarters in Birmingham.

After over 10 years in Y. M. C. A. activities, the work with the older boys in the various conferences, with which he has been identified appeals most forcibly to Mr. Rigler, who called attention to the fact that the work has spread from one part of the country to the other and has received the most unqualified endorsement of men in all walks of public life, and particularly those who are most closely associated with the boy life of the country.

MANY BOYS TO BE HERE FOR MEETING

Alabama and West Florida Youngsters Expected to Attend Older Boys' Conference.

Boys from south Alabama and west Florida towns, several hundred strong, are expected to invade Pensacola on Feb. 10, 11 and 12, to attend the Pensacola older boys' conference, which convenes here on that date.

While the idea back of this movement is not publicity, but may be summed up as a call to high ideals and courage in daily living, at work and play, it is a fact that to Pensacola is coming some wonderful advertising in the material which is being sent out all over west Florida and south Alabama, which shows the splendid Pensacola high school building and carries other features of value to Pensacola.

The Pensacola district is under the supervision of the state Y. M. C. A. of Alabama and comprises south Alabama and West Florida. Last year the conference was held in Mobile, and it was expected that 200 boys would be in attendance. When the opening day came there were 305 boys, full of enthusiasm and zest, who carried back with them to their homes the high ideals which had been inculcated through the splendid program which had been arranged.

When asked last night as to the number expected for the conference in Pensacola, C. P. Rigler, state boys' secretary, who is in Pensacola, engaged in the preliminary work of the campaign, said that it is difficult to estimate how many boys will be here, but that letters and illustrated matter is being sent out to boys all over south Alabama and west Florida, and that judging by the number which attended the conferences held in Mobile and Selma, it is probable that there will be several hundred, though at this time it is not possible to accurately estimate the number.

In speaking of the conference last night, Mr. Rigler called attention to the fact that such conferences are not confined to the south, but are being held all over the United States, some states having held such meetings for a number of years, Massachusetts having recently held its thirty-second annual boys' conference, which drew together hundreds of boys from all parts of the state.

At a meeting held at the Y. M. C. A. building on Monday evening, J. H. Sherrill, president of the Rotary club, and long identified with Y. M. C. A. work in Pensacola, made the statement that of all the many public meetings and conventions which he had attended, the one which stood out in his memory most clearly, and which had

CALOMEL SALIVATES EVEN WHEN CAREFUL

Treacherous Drug Can Not Be Trusted and Next Dose May Start Trouble.

Calomel is dangerous. It may salivate you and make you suffer fearfully from soreness of gums, tenderness of jaws and teeth, swollen tongue and excessive saliva dribbling from the mouth. Don't trust calomel. It is mercury, quicksilver.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great. No salts necessary. Give it to the children because it is perfectly harmless and cannot salivate.—Advertisement.
